

DANAH ALDOSARY

+966 59 4813147 | danahaldosary1@gmail.com | [LinkedIn](#)

Education

King Fahd University of Petroleum and Minerals | Dhahran, Saudi Arabia

B.S. in Software Engineering | August 2022 – May 2027

GPA 3.83 / 4.0 | Dean's list (2x)

Experience

Object Oriented Programming Lab Assistant | KFUPM

September 2024 – December 2024

- Guided students in mastering object-oriented programming concepts during lab sessions
- Assisted with debugging and troubleshooting code to enhance understanding and problem-solving skills

AI Specialization Training Program | KAUST Academy

January 2025 – February 2025

- Completed 80 hours of intensive training in machine learning, deep learning, and computer vision
- Built and evaluated models using Python, Scikit-learn, and PyTorch

Documenter | Female Computer Club, KFUPM

August 2024 – May 2025

- Organized the club's archive and Teams channels for streamlined access to records
- Created weekly summaries of marketing committee activities, spotlighting key progress

Projects

Route Visualization Application | Java, JavaFX

- Built a JavaFX application to visualize student routes between classes based on schedule data
- Parsed Excel schedule data into domain objects using OOP principles
- Implemented custom drawing on canvas and distance calculations without pre-built components

Horse Racing Database Management System | Java, MySQL, JDBC

- Developed a Java/MySQL application using JDBC
- Implemented stored procedures and triggers for safe data deletion and archiving

Linear Regression Model for Predicting FPL Player Points | Python, scikit-learn, Pandas, Numpy

- Built a linear regression model to predict Fantasy Premier League player points using historical data
- Analyzed patterns to assist managers in strategic team selection
- Evaluated model performance using accuracy and error metrics

Skills

- **Programming Languages:** Python, Java, SQL
- **Libraries & Tools:** PyTorch, Scikit-learn, Pandas, NumPy, Git
- **Languages:** Arabic (Native), English (TOEFL ITP: 600)
